

MEDICAL / HEALTH DOCUMENT CHECK LIST

Several health documents are required for your child to start Kindergarten.

Please look over the following checklist to make this process as easy as possible:

Valid, current Kentucky immunization certificate (KRS 214.034) **New KY Immunization requirements go into effect July 2018. ALL students must provide an updated, current certificate for the start of school** _____**

School entry physical on the state approved physical form (704 KAR 4:020) – Completed on or after August 8, 2017 _____

Vision Exam by an optometrist/ophthalmologist on the state approved form (KRS 156.160) – completed on or after August 8, 2017 _____

****Quality Care for Kids (QCFK) will be at your child's school in August. QCFK provides vision and hearing screenings / exams. You must complete the consent form in your child's Kindergarten enrollment packet IF you would like for your child to receive this exam at school. Your insurance will be billed for this service but you will be charged nothing, regardless of insurance coverage****

Dental Screening by a licensed provider on the state approved form (KRS 156.160) – _____

****School Smiles will be at your child's school in August and ALL students will receive a FREE dental screening that will meet this requirement. No treatment or care will be provided, this is only a screening. Please contact the FRC at 845-8622 if you DO NOT want your child screened by School Smiles. ****

Certified copy of your child's birth certificate – Please note that the hospital birth record does NOT meet this requirement.

If your child has a health condition or will require medication at school, please contact the school nurse to obtain the required medical forms for school. These must be updated annually.

If you have any questions concerning these requirements, please feel free to contact the school nurse. Please remember, **this documentation is due NO LATER THAN opening day of the 2018 – 2019 school year.**
